

/Finials/

METALCRAFT
Architectural Metalwork

/Cast Iron/

Finials are generally located on railing standards, the main posts located at the end of railing panels. It is traditional to place a finial on top of the railing standard. A small selection can be found below. However, we do have hundreds of other patterns.

								
	A021	A022	A023	A024	A032	A035	A037	A038
Height (mm)	230	240	120	135	145	185	190	180
Base (mm)	40 sq	30 dia (spigot)	35 dia	30 dia	35 dia	20 dia	22 sq	40 dia
								
	A039	A044	A051	A053	A073	A089	A095	A117
